The Life of Hamilton Bailey - Sydney Vernon Humphris - 1973

Hamilton Bailey's Physical Signs - Hamilton Bailey - 1997

A new, comprehensively revised edition of this classic test of surgical diagnosis. Careful history-taking and the elicitation of physical signs remain of fundamental
importance in surgical diagnosis. This classic text, presented in simple language backed up by over 900 illustrations, gives a guide to the interpretation of physical signs
and symptoms in surgical illness. It has as its aim medical students starting clinical work, but generations of clinicians have found it an invaluable companion at all
stages of their careers.

Fast Track - Suzy Favor-Hamilton - 2004-07-14

Suzy Favor Hamilton is the premier female middle-distance runner in the United States. Her memoir includes 6 U.S. National Championships, 9 NCAA Titles, and 4 Big Ten Athlete of the Year Awards (now called the Suzy Favor Award). In this book, she teams up with Jeff Greenfield. This powerful memoir is a family memoir of remarkable effort, achievement, sacrifice, and triumph.

When his friend Leo Pak is arrested on suspicion of murder and armed robbery, Van Shaw journeys to a remote Oregon county to help his fellow Ranger. Van had been Leo’s ser vant when they served with the 75th Regiment in Afghanistan, and back in the States, Leo had helped Van when he needed it most. Arriving in the isolated town of Mercy River, Van learns that his traveling friend had planned to join a raucous three-day party that dominates the place for one weekend each year. Attended by thousands of people, the party is a raucous celebration of the local culture, filled with music, dance, and a sense of community.

The fourth edition of this essential textbook continues to meet the needs of all those learning the principles of surgical examination. Together with Sir Norman Browse, Clinical reference that takes an evidence-based approach to the physical examination. Updated to reflect the latest advances in the science of physical examination, and expanded to include many new topics.

Clinical Pearls help you “file away” clinical medicine connections for handy retrieval at test time! - Bold terms highlight key terminology for added emphasis! BONUS Material and study resources: - 100 USMLE-style questions in the book and online, so you can study anytime, anywhere!
